CardioRisk 2015

Movenpick Hurghada, Egypt
25-28 November 2015

Endorsed by:

International Atherosclerosis Society
The European Atherosclerosis Society
Dear Colleagues

On behalf of the Egyptian Association of Vascular biology & Atherosclerosis (EAVA) and Cardio Risk scientific board, Let me welcome you all in Cardio Risk 2015 that will be held in Hurghada Egypt 25-28 November 2015. The meeting this year will not only cover lipidology science but, in addition, will extend to cover many subjects related to CV risk factors especially hypertension and DM with eminent faculty. Looking forward to seeing you all let me wish you an enjoyable and fruitful meeting.

Ashraf Reda, MD, FESC
President of EAVA
CardioRisk CME activities started 2011, with a series of accredited educational meetings all over Egypt discussing assessment and management of cardiovascular risk in view of the different national and international guidelines.

The annual meeting this year, CardioRisk 2015, which will be held 26-28 November in Hurghada, Egypt, will celebrate the foundation of the Egyptian Association of Vascular biology and Atherosclerosis (EAVA).

In addition to the cyclic CME activities, the annual congress and the ongoing Egyptian risk factor and lipid project, EAVA is initiating the CardioRisk research project including a national observational study and a promoting program supporting researches addressing cardiovascular risk and preventive strategies in the community.

CardioRisk 2015 scientific program will cover the recent updates in atherosclerosis, vascular biology and cardiovascular prevention by eminent speakers.

CardioRisk scientific committee has the pleasure to invite you to participate and share with us the science of CardioRisk 2015 as well as the beauty of Hurghada, Egypt.

European Atherosclerosis Society

(EAS) was founded in 1964 with the aim of “advancing and exchanging knowledge concerning the causes, natural history, treatment and prevention of atherosclerotic disease”.

International Atherosclerosis Society

(IAS), incorporated in 1979, promotes, at an international level, the advancement of science, research and teaching in the field of atherosclerosis and related diseases.
The Accreditation Review Committee (ARC) of the American Association of Continuing Medical Education (AACME) designates this medical education activity for a maximum of 22.50 hours in the Category 1 credit of the AACME Designation.

Conference Venue
MÖVENPICK HURGHADA is located, nestled in Hurghada Bay, directly on its own beach and with private access to the Red Sea. Only a ten-minute drive from Hurghada International Airport and a few minutes from the city center. The Mövenpick Hurghada is nested in Hurghada Bay, at the Southern end of town, directly on the famous promenade, a pedestrian road, locally known as “the Mamsha”.

Registration hours
Registration desk will be ready on Wednesday 25th of November at 16:30
Registration desk will be ready on Thursday, 26th of November at 15:30
Registration desk will be ready on Friday, 27th of November at 15:00
**Language**
The official language is English. All lectures and presentations will be held in the English language only. There will be no translation available.

**Housing**
All rooms are on half Board Basis. Light Lunch is only served upon coupons.

**Badge**
All registrants and exhibitors must wear their name badge to have access to conference sessions, lunches. No exceptions will be made.

**Barcode**
Barcode will be printed on all badges of participants. All access to Halls of the conference will be with the badge. Barcode System will allow the calculation of participated hours in each session for each candidate.
